## KYLE M. BONNETT

Environmental Technician - Raleigh, NC

Mr. Bonnett has experience with groundwater and air monitoring, sampling, and field testing. He also has experience in NMOC reporting, Title V annual reporting, Title V permitting, and greenhouse gas monitoring and reporting.

Mr. Bonnett joined S+G in 2022 after completing his B.S. in Forest Management at North Carolina State University. He specializes in groundwater assessment and remediation, groundwater and landfill gas compliance, soil logging, and other geological services.

Mr. Bonnett is experienced in environmental data monitoring, collection, and analysis, field testing and sampling, and compliance reporting. He is well versed in North Carolina groundwater quality monitoring parameters and collection protocols.

Mr. Bonnett's current work revolves around environmental monitoring and compliance of groundwater at open and closed solid waste facilities. In addition to environmental fieldwork, Mr. Bonnett assists in analyzing data and preparing reports for a variety of different projects.
