

Smith Gardner, Inc. (S+G) is seeking a Civil Engineer to join our Raleigh, NC or Columbia, SC office. The individual should have an interest in environmental engineering with a focus on air quality. Looking for someone that is practical, enjoys the outdoors, and resourceful to support our engineering services throughout the southeast.

Responsibilities of this position will include, but are not limited to:

- Performing site/civil/environmental engineering analysis to support our solid waste services.
- Tasks include site investigations, field reconnaissance, construction observation, stormwater analysis and design, geotechnical analysis and design, wastewater analysis and design including pumping systems and equalization management, site grading and volume analysis.
- Perform related environmental tasks for clients in government and industry, as assigned by S+G project managers.
- Analyze available information to help develop strategies to successfully complete each assigned task.

Minimum Requirements

- BS or MS in Civil, Environmental or Construction Engineering required.
- Minimum of 5 years of relevant experience required in civil, environmental, or construction engineering. Co-op and part time experience will be considered in evaluating experience.
- Must be able to understand design, permit, and construction process flow diagrams and determine data needed to complete project calculations.
- Must be able to proficiently use PC- based applications (e.g., MS Word and Excel).
- Must be highly motivated and have: Strong organizational and time management skills; Strong written and oral communication, quantitative, and interpersonal skills; Strong work ethic and professional demeanor; Attention to Detail.
- Demonstrate a positive, team-oriented attitude and attention to detail/ownership of work products.
- Must have good teamwork skills but also be able to function independently on specific tasks.
- Professional Engineering Registration in NC or SC preferred, or the ability to obtain.
- Must have a valid driver's license.
- Periodic travel may be required.

Benefits offered:

- Paid time off
- Health insurance
- Dental insurance
- Healthcare spending or reimbursement accounts such as HSAs or FSAs
- 401K plan

This is a full-time position with competitive pay based on experience along with excellent benefits.
